§ 248.13 FMNP income.

Program income means gross income the State agency earns from grant supported activities. It includes fees for services performed and receipts from the use or rental of real or personal property acquired with Federal grant funds, but does not include proceeds from the disposition of such property. The State agency shall retain Program income earned during the agreement period and use it for Program purposes in accordance with the addition method described in 7 CFR 3016.25(g)(2). Fines, penalties or assessments paid by local agencies or farmers/farmers' markets are also deemed to be FMNP income. The State agency shall ensure that the sources and applications of Program income are fully documented.

§ 248.14 Distribution of funds.

(a) *Conditions for receipt of Federal funds.*—(1) *Matching of funds*—(i) *Match amount.* As a prerequisite to the receipt of Federal funds, a State agency must agree to contribute State, local or private funds, or program income, equal to not less than 30 percent of the total administrative FMNP cost. The Secretary may negotiate a lower percentage of matching funds, but not lower than 10 percent of the administrative cost of the program, in the case of an Indian State agency that demonstrates to the Secretary financial hardship for the affected Indian tribe, band, group, or council. The State agency may contribute more than the minimum amount. State, local or private funds for similar programs as defined in § 248.2 may satisfy the State matching requirement.

The matching requirement will be considered satisfied if State or other non-Federal matching contributions reported on the final closeout report (required by § 248.15(a)) amount to at least 30 percent of the administrative costs. This match amount may be lower for those Indian State agencies that have demonstrated to the Secretary financial hardship as set forth in paragraph (a)(1)(i) of this section.

(2) *State Plan and agreement.* A State agency shall have its State Plan approved and shall execute an agreement with the Department in accordance with § 248.3(c) of this part.

(b) *Distribution of FMNP funds to previously participating State agencies.* Provided that sufficient FMNP funds are available, each State agency that participated in the FMNP in any prior fiscal year, shall receive not less than the amount of funds the State agency received in the most recent fiscal year in
